The Cookie Jar Fund

The CTREE Board of Directors has created a special fund *The Cookie Jar Fund*, for caring for our senior equines. The fund is named after Cookie who, after serving CTREE since its inception, has been retired to a historical farm in the Virginia countryside. If you would like to contribute to this fund, please call Karen.

Spring Session Wrap Up...

CTREE's riders have all been having an awesome spring session - full of lots of firsts! First time riding independently, first time posting to the trot, first time brushing and riding a horse!! Southampton Intermediate School came for a 6 week riding/horsemanship/leadership session with 10 boys and girls from fifth through eighth grade. Kirolak hurt his leg and will be spending much of the summer resting - Azzy and I are doing a great job filling in for him - guess we like being busy !
