Happy Trails Kirolak!

Kirolak has earned a well deserved retirement and was reunited with Cookie this winter at the historical Long Branch Farm, in the beautiful rolling hills of northwest Virginia. He has already made new friends and is enjoying the easy life!

CTREE's NEW MISSION STATEMENT

'Transforming lives through the therapeutic power of horses'

As part of our 3-year strategic plan for CTREE, we created a new mission statement. We love it and think it very clearly states what CTREE does/who CTREE is. Thank you to president Sherryl Bruyn and treasurer Katy Carey for spearheading this project! Look for more about our strategic plan in our May newsletter!

WELCOME MELANIE!

Meet our newest CTREE team member, Melanie! She joined us last Summer and has been a great addition to the CTREE team! She offers several years of office management experience and technical skills. She's been a tremendous help contributing to the the success of our fundraising campaigns and ongoing projects to fulfill our mission.

Mose Knows

Spring is here! We're out enjoying the warmer weather and the green paddocks!

I have a new stable mate, Paco! He joined us this winter and I have to say, he's made a great addition to the CTREE herd. I keep thinking that he's Kirolak though, he looks just like him! He is settling in well and is learning what it takes

to be a CTREE horse.
C'mon down and see us at the Spring Open House in May!
